

Welcome

Trevella Lake

A few changes

By the time you receive this, our first newsletter, we hope you all had a good Christmas and New Year.

We are doing things a little differently this year, normally you would have received a new brochure last November, but from now on the brochure will be sent out in January, however we know many of you like to book early and some of you have already done so, and as of the 1st March 2008 you can start booking for the 2009 season.

Well that's some of the changes taken care of. The fact that you have received this newsletter means you are already a valued customer, so we would like to take this opportunity to thank for your past custom and hopefully see you all in the very near future.

Start of construction

The construction of a new toilet block extension started at the beginning of November and we are all really pleased with the progress made to date. The new toilets consist of eight very spacious family rooms, each of which will have a shower, hand basin and w.c.. One has been designated disabled, and one will be fitted with a baby bath and changing facility. There will also be a much larger washing up facility, and whilst we were at it we thought to completely refurbish the original toilets so each unit will have more showers. Well I must get on I have quite a bit of tiling to do yet, somebody told me we open on the 15th March!

New for 2008

Start of construction

Construction to date 15/12/2007

Mr Tolley With this beautiful 24lb 12oz Carp

David Bellamy Conservation awards

As you all know we have been David Bellamy conservation award Gold winners for the past few Years. I am pleased to tell you that we have been awarded the Gold award again for the 2007 season.

Message from David Bellamy

“Congratulations on keeping up the usual impeccable standards. Your assessor is always singing your praises and this year is no exception. I particularly like the idea of a photographic competition. These days they are very popular with most of the population taking photos all the time in this digital age. A shining example to other parks. The West Country is very proud of you. Keep up the good work.”

Congratulations to our photo competition winners

Steven Maycroft From **Worcester** (Adult competition)

Kyle McLachlan From **Grangemouth Scotland** (Junior Competition)

Green Tourism Business Scheme

We have also joined The Green Tourism Business Scheme, and at present we are awaiting grading.

Criteria for the GTBS

The aim of the Green Tourism Business Scheme (GTBS) criteria is to offer guidelines to tourism businesses on how to make their operations more sustainable while still delivering a high quality service. When developing the criteria consideration has been given to a wide range of social and environmental factors, as well as up-to-date technological developments.

Please Note:

Issue No.2 will be available on our website www.trevella.co.uk from May 2008.

Free Fishing at Trevella

Mr Wayne Tolley and his wife Trish, have been regular customers for many years, and up to the 15th of October 2007 it's fair to say Trish had the upper hand. Well I am sorry Trish, Wayne has landed this 24lb 12 oz beauty, and has pipped you to the post this year!

Steven Maycroft's winning entry

Small Steps

Big Impact

1. Reduce, Reuse and Recycle
2. Reduce Traffic : Walk, Cycle or use Public Transport
3. Stay Local, Eat Local, Buy Local, See Local
4. Chill out – Switch Off
5. Follow the countryside Code Respect-Protect-Enjoy
